

## STATEMAP FY2005 – Proposed Minot Area Mapping

**Name of Proposed Quadrangle:** Minot

**Purpose for Geologic Mapping:** To complete the mapping of surficial geology at the 1:24,000 scale

**Justification:** Under current SMAC recommendations the geologic mapping of quadrangles within urban areas is of primary interest.

**Discussion of Needs:** The City of Minot Engineering Department has a documented need for the completion of the Minot Quadrangle to support local and regional planning efforts and the continued development of urban infrastructure.

**Proposed Geologic Mapping Priority:** 1
